DEACONS FOR DEFENSE AND
JUSTICE, FERRIDAY, LOUISIANA

On December 29, 1966, [REDACTED] Ferriday, Louisiana, advised that he has heard of no Deacons for Defense and Justice being in the Negro community of Ferriday at this time.

He advised that approximately two weeks ago the various Negro community groups began to organize in order to re-evaluate some of their civil rights aims and at that time invitations were sent out throughout the Negro community for the Deacons for Defense and Justice, if they existed, to send representatives to the meetings held by these community groups. No one stepped forward at that time or since to claim to be a representative for the Deacons for Defense and Justice.

Reference is made to Chicago memorandum dated
January 10, 1967, captioned "Student Non-Violent Coordinating
Committee."

On January 13, 1967, a source who has furnished
reliable information in the past advised that
Stokely Carmichael arrived in Chicago, Illinois, on January
12, 1967, and at 7:00 p.m. on January 12, 1967, Carmichael
met with individuals affiliated with the Coordinating
Council for Black Power (CCBP) at 413 East Oakwood Boulevard,
Chicago, Illinois. The CCBP will be described subsequently
in this memorandum.

At this gathering various questions were asked of
Carmichael as follows:

Carmichael was questioned as to what action SNCC was
going to take concerning the local SNCC leader who was openly
residing with a white woman. Carmichael responded that this was
an internal SNCC problem and would be handled as such.

It was pointed out to Carmichael that this situation had
been exposed in the local press and, therefore, could not be
considered an internal problem. Following considerable discussion,

10 it was agreed by Carmichael and those present that the local
11 SNCC leader should be ousted.
12

13 Carmichael was questioned as to why he was
14 speaking before a predominantly white audience at the
15 University of Chicago rather than before a local Negro
16 audience.
17

18 Carmichael answered that he receives some \$1,000
19 to \$1,500 for each appearance and he is speaking three to four
20 times each week. Carmichael noted that funds such as he is
21 able to receive from the speeches before white audiences would not
22 be available from Negro audiences.
23

24 Carmichael was asked why he is only spending one
25 day in Chicago and he replied that he has an extremely
26 busy schedule and expects it will stay that way for the next
27 several months. Carmichael was asked why he did not come
28 to Chicago during the past summer's violence in Chicago and
29 Carmichael replied that he has no base of operation in
30 Chicago. Carmichael noted that when he was arrested in
31 Atlanta he knew the Negroes were behind him as was evidenced by their
32 being in the streets to support him, however, he has no assurance
33 that this same support would be forthcoming in Chicago.
34

35 Carmichael did indicate that he planned to return to
36 Chicago during February, 1967, to assist in the campaign of
37 independent Negro aldermanic candidates.
38

39 Carmichael was asked about his recent statements in
40 support of Representative Adam Clayton Powell when Powell had failed
41 to give Carmichael support in the past.
42

43 Carmichael stated he is not supporting Powell as Powell,
44 however, they views the current attack on Powell as an attack against the
45 Negro, and, therefore, believes it important for the Negro
46 to come to the assistance of Powell. Carmichael commented that he

14 did not anticipate Congress reseating Powell, however, Powell
15 may be re-elected to his seat in Congress.
16

17 Carmichael was asked how he felt about direct confrontation
18 or revolution-type activity in which the Negro would use force
19 to gain his rights.
20

21 Carmichael stated that the Negro would be a "damn fool"
22 to gather out into the streets and try to win his rights by force.
23

24 One of those present pointed out to Carmichael
25 that the Viet Cong carry on their fight with few arms and
26 seem to be doing all right to which Carmichael replied that the
27 Viet Cong have been able to obtain abandoned and captured arms
28 and he did not see any correlation between the situation
29 of the American Negro and that of the Viet Cong. Carmichael stated
30 that he would have nothing to do with such activity and in the
31 event it started he would get as far away from it as possible.
32

33 Carmichael was asked what he thought about integration
34 and segregation and he commented that in a segregated society the
35 Negro is very susceptible to being isolated and thus destroyed;
36 however, in an integrated community, the Negro is much less
37 vulnerable; therefore, he is for an integrated society.
38

39 Carmichael was asked if he believed the Negro should
40 get guns, and he replied, "Never ask me about nothing", stating
41 that one time a fellow sought him out to tell him that he
42 was planning to blow something up at which time Carmichael looked
43 the other way as if he had never seen this fellow before.
44 Carmichael said if the fellow was going to blow something up, he
45 would probably go ahead and do it and it contributed nothing to
46 come and tell Carmichael about it. Carmichael said that the
47 situation involving guns is the same and that if the Negro
48 believes it is necessary to have a gun he will go out and
49 get a gun, and there is nothing that he, Carmichael, can do
50 about it.

STOKELY CARMICHAEL

Following this meeting, Carmichael spoke to a capacity house at the University of Chicago, Mandell Hall, under the auspices of the Student Government Association of the University of Chicago. About 1,000 were in attendance.

At this gathering Carmichael read from a prepared speech which defined black power in terms of the attainment of political and economic goals by the Negro.

Carmichael also told the group that the recent unseating of representative Powell is an attack on the blackman and Powell has been ousted not because he is Powell but because he is a Negro.

Carmichael compared the Negro to a dog, stating that a barking dog never bites and he suggested that the Negro leaders who have thrown in with the power structure such as Martin Luther King can be compared to this barking dog; therefore the power structure does not fear them. Carmichael said that the other Negroes can be compared to the other dogs who if pushed hard enough will eventually bite and if the system continues to push the Negro sooner or later he will react and Carmichael then asked the group, "Don't you know the Negro can kill too".

A second source who has furnished reliable information in the past furnished similar information to the above concerning the January 12, 1967, meeting at the University of Chicago.

This source reported Carmichael as defining black power in terms of political and economic power and that Carmichael was mildly critical of Doctor Martin Luther King and ridiculed the local political "machine."

16
17 This source reported Carmichael as stating that
18 Negroes cannot work with whites in any freedom movement and if whites
19 want to be involved they will have to work with whites. Carmichael
20 said that when he tries to convince people he is a "good nigger",
21 they don't believe him and he has found that in order to have any
22 success he must conduct his work in the Negro community.

23
24 The second source advised that following the meeting
25 a group of SNCC and Congress of Racial Equality (CORE)
26 supporters gathered at a lounge on Chicago's south side where
27 it was expected Carmichael would appear, however, Carmichael did
28 not attend this gathering.

29
30 [redacted] advised that Carmichael along with
31 SNCC Field Secretary, Cleveland Sellers, Lawrence Landry, Local
32 and National Chairman of ACT, Dick Gregory and a number of CCBP
33 participants gathered at a Chicago west side lounge for an
34 informal party which lasted until about 2:00 a.m., January 13, 1967.
35 It had been hoped that Carmichael would appear in Chicago on
36 January 18, 1967, for a CCBP rally at the Senate Theater, 3158 West
37 Madison, however, Carmichael stated he would be unable to attend
38 this rally and Dick Gregory agreed to be a featured speaker at
39 this rally. Carmichael indicated that he would plan to
40 return to Chicago during February, 1967, to campaign for the
41 independent Negro aldermanic candidates. b7C
b7D

42
43 On January 13, 1967, [redacted]
44 [redacted] advised that Carmichael departed
45 Chicago on Trans World Airlines, on Chicago Flight #134 at
46 2:45 p.m. on January 13, 1967, enroute to Philadelphia.

47
48 The CCBP is a loose amalgamation of various Negro
49 civil rights organizations in Chicago, including ACT, a local
50 civil rights group, CORE and SNCC.

52 Copies of this memorandum have been furnished to
53 the United States Attorney and United States Secret Service, both

36 [REDACTED] HENRY AUSTIN, a member of the Bogalusa, Louisiana, (C)
37 chapter of the DDJ, held an open forum before the SWP, Cleveland,
38 Ohio, and stated "America better change this society. America
39 is just playing games here and over in Vietnam. For example,
40 the riots in the Hough area were not race riots, but riots of
41 violence. I will give it another year and the riots will not
42 be just in the ghetto's but outside as well."
43

44 AUSTIN stated "The purpose of the Deacons for
45 Defense is to protect the Negro from the Klu Klux Klan and
46 from police brutality. The Deacons for Defense is blazing
47 a trail for justice. Down south when the police send in
48 the Klu Klux Klan to settle an incident, and when the
49 Deacons for Defense show up, it is so quiet you can hear two
50 cotton balls being rubbed together."
51

52 "We have been under white power for 400 years
53 and we are tired of it. One of these days we will be under
54 black power. When the Negro does come out of the ghetto's,
55 America will need the National Guard for protection. We
56 don't want civil rights or voting rights now. It is out of
57 the question at this time."
58

"Urban renewal post signs in empty lots stand for years, and they don't do any rebuilding. They better start building better houses and better recreation centers for the Negroes. By the looks of things nothing will ever be done. This society needs a socialistic change."

[REDACTED] b1
[REDACTED] a meeting of the Committee to End the War in Vietnam was held at 1846 Coventry Road, Cleveland Heights, Ohio. HENRY AUSTIN, a Negro, gave a talk on the Deacons for Defense and "from the ghettos." He said "The Deacons is an organization composed of only Negroes because they want to feel that they are doing something without the help of the white man. He said he, himself, does not belong to the Deacons at the present time."

A characterization of the Committee to End the War in Vietnam (CEWV) is attached to the appendix of this report.

[REDACTED] b1
[REDACTED] (c)
[REDACTED] (c)
[REDACTED] (c)
[REDACTED] that a meeting of the (c)
SWP was held on October 23, 1966, at Cleveland, Ohio. HENRY AUSTIN from Bogalusa, Louisiana, and a number of Negro men attended this meeting. AUSTIN was the main speaker for this meeting.

AUSTIN only spoke for twenty minutes. He told of the events in Bogalusa, Louisiana, and of the participation of the Deacons for Defense in the Mississippi marches. HENRY AUSTIN said that the Deacons do advocate self defense in cases of harassment of the Negro, either by arms or any other weapon. He said that the Deacons for Defense (DDJ) are not always violent, and that they were the first to collect food and clothing and distribute it in New Orleans after the hurricane "Betsy."

[REDACTED] (c)

There was a short question and answer period. During that time AUSTIN stated that the Negro will never gain civil rights under the present system of Government in the United States, but he also would not commit himself and say which type of Government is needed.

ACTIVITIES AND STATEMENTS OF ERNEST THOMAS

On July 2, 1966, [REDACTED] advised that ERNEST THOMAS was in Baltimore accompanied by CHARLES SIMS and that they were staying at [REDACTED] Baltimore.

[REDACTED] that ERNEST THOMAS, (c) Regional Vice President and Northern Director of the Deacons of Defense and Justice is scheduled to give a speech in Grambling, Louisiana, at 8:00 P.M. on June 29, 1966. This speech will be open to the public and THOMAS will speak in front of the Post Office in Grambling.

[REDACTED] (c)

The Deacons of Defense and Justice is an organization set up in Jonesboro, Louisiana, during the late 1964. It was incorporated in the State of Louisiana in March of 1965. The purpose of the organization was to provide protection for the Negro people of Jonesboro and particularly those people participating in civil rights activities in Jonesboro. The original idea for forming this organization was developed when it was believed that some of the members of the Jonesboro Police Force were members of the Klan in that area, and it was felt that these police officers could not be relied upon to provide the necessary protection for the Negro citizens of the community. At that time, the DDJ was formed and incorporated.

~~SECRET~~

NO 157-3290

ALS/pa/bld

~~SECRET~~

Originally, PERCY BRADFORD was president, ERNEST THOMAS was vice-president, F. D. KIRKPATRICK was secretary, and HENRY AMOS was sergeant-at-arms. Later, ERNEST THOMAS was dropped as vice-president. When F. D. KIRKPATRICK moved from Jonesboro, Louisiana, to Grambling, Louisiana, he was replaced as secretary of the organization. The organization was set up strictly as a defensive organization, and was established along non-violent lines. Chapters were soon set up in Bogalusa, Minden, Homer, and Ferriday, Louisiana. Shortly after the chapter was set up in Bogalusa, Louisiana, the organization board began having trouble with CHARLES SIMS, the president of that chapter. SIMS was adopting a more militant attitude than that desired by the board, and there was a split between the group in Jonesboro and that in Bogalusa. At the present time, tension still exists between these groups.

When KIRKPATRICK moved to Grambling, Louisiana, he was instrumental in setting up a chapter of the DDJ in the community. The group has never been chartered with the headquarters in Jonesboro, and it appears that it is almost dissolved at the present time. It was originally made up of faculty members and students of Grambling College, and with the end of the past semester, most of the members left Grambling and the chapter.

The DDJ is incorporated in the State of Louisiana only, and has not filed papers to do business in any other state. For this reason, the DDJ has no chapters outside of the State of Louisiana. ERNEST THOMAS has been traveling around the United States calling himself the Regional Vice-president and Northern Director of the DDJ. He has claimed to have set up DDJ chapters in several cities in the United States, and has supposedly set these chapters up on a militant basis. These efforts on the part of ERNEST THOMAS are reportedly entirely on his own, and are not supported or condoned by the DDJ of Jonesboro. It is believed that ERNEST THOMAS has adopted his title because of his former position in the DDJ in Jonesboro, but that all of his activities are strictly on his own behalf. The DDJ headquarters in Jonesboro has reportedly never received any requests for charters from anywhere outside of the State of Louisiana, and they could not issue charters outside of the state if they were so requested.

14 objection was that although CHARLES SIMS gave people the
15 impression that he was a militant individual, the membership
16 was dissatisfied with the fact that CHARLES SIMS never
17 backed up his threats with actions.

18
19 [REDACTED] added that at the meeting it was
20 decided that hence forth any anti-Negro actions by whites in
21 the Bogalusa and Franklinton, Louisiana, areas will be countered
22 with militant actions. He explained that by this he meant that
23 the Deacons will now react violently if necessary.

24
25 Regarding activities that the Deacons will partici-

27 active part in picketing and testing.

28
29 [REDACTED] stated that additional marches are
30 being planned at this time, and that included a possible march
31 to Baton Rouge, Louisiana, and an additional march to Franklinton,

"On Friday night, July 29, 1966, Dr. MARTIN LUTHER KING, head of the Southern Christian Leadership Conference, an organization active in civil rights activities, spoke at a civil rights meeting near 71st and South Halsted, Chicago. Approximately 40 Negro males, who indicated they were members of the DDJ, stayed outside and were in the area to reportedly protect the person of Dr. KING and other civil rights leaders. They reportedly carried firearms.

"Committee (SNCC), spoke to a group of the Packinghouse labor union on the south side of Chicago. Approximately 40 alleged members of the DDJ were also in this area to provide protection. They were also reportedly armed. The Deacons do not take an active part as such at meetings but are merely in the area to provide protection.

SNCC is a highly militant civil rights organization.

~~A characterization of SNCC is attached to the appendix of this report.~~

"The DDJ at Chicago has no arms arsenal and what weapons are available are owned personally by individual members.

"True members of the DDJ are issued membership cards. Members are being recruited at Chicago at \$25. per head.

"The membership of the DDJ at Chicago is not known. However, active membership or indicated active membership can be estimated at around 80 Negro males.

"The DDJ did not participate as an organization in the ill-fated civil rights demonstration for open occupancy in the Gage Park-Marquette Park area of Chicago on July 31, 1966, in which racial violence broke out. One or two DDJ members were observed in the area of the demonstration, but they were there as individuals.

[REDACTED] advised that the local chapter of the DDJ planned a march at 3:00 PM, August 21, 1966,

APPENDIX

1. COMMITTEE TO END THE WAR IN VIETNAM
(CEWV)

The Committee to End the War in Vietnam (CEWV) was established in Madison, Wisconsin in February, 1965 for the declared sole purpose of altering United States policy in Vietnam by negotiations with the Vietcong, a cessation of bombing of North Vietnam and withdrawal of United States troops from Vietnam.

On May 6, 1965, the CEWV expressed its opposition to the United States policy in the Dominican Republic which it charges is designed only to perpetuate oligarchy in that country. In pursuit of its objectives, it has organized marches, picket lines and demonstrations. Its disruptive tactics toward a group supporting United States Vietnam policy were publicized in the May 14, 1965 edition of "Time", the national weekley news magazine.

New Orleans also requested the New York Office to ascertain if the leaders of any known black power or Communist organizations in this area travelled to Europe in the latter part of August and September, 1966. It is noted that numerous people travel abroad during the summer months, from New York, many of which are tours arranged by various Communist front groups, the individuals travelling by different airlines and by ship and joining the tour in either London or Paris, or some other foreign country.

[REDACTED] b1

To cover such leads with no definite purpose in mind, is extremely excessive, and does not appear warranted at this time. The New York Office would appreciate knowing if and when THOMAS plans to come to New York, so that its sources can be alerted, however, it is most difficult to attempt to ascertain information concerning this subject long after he has been gone from this area. In addition, the New York Office has neither a photograph nor an up-to-date description of this subject.

UACB, the leads set forth in referenced airtel will not be covered unless the New Orleans Office is more specific. The New York Office, will however, alert its sources in the matter, and in the event any information concerning THOMAS is brought to their attention, it will be immediately submitted to the New Orleans Office.

The thumbnail sketch for the Student Nonviolent Coordinating Committee (SNCC) set out in the Appendix Section of referenced report is not a Bureau-authorized characterization and should not be used. Ordinarily, characterizations are prepared only for subversive organizations. For your future guidance, when SNCC is referred to in a communication, at the present time, it is sufficient to identify this group as a highly militant civil rights organization.

DEACONS OF DEFENSE AND JUSTICE
INCORPORATED (DDJ)
RACIAL MATTER (ORGANIZATION)

The Deacons of Defense and Justice Incorporated (DDJ), Chicago Chapter, first opened an office at 1230 South Pulaski Road, Chicago, telephone number 522-7706, during July, 1966. This number has been disconnected [REDACTED]

On November 17, 1966, a source, who has furnished reliable information in the past, advised that the new address for DDJ is a store front office on the street level at 712 South Pulaski Road. This address was determined to be the ward headquarters of the Democratic Party.

On December 22, 1966, [REDACTED] advised that Edward "Fats" Crawford is the Vice President of the "Deacons" and Claudell Kirk is the Secretary. [REDACTED] is an admitted member. Total membership for the DDJ in the Chicago area is between five to fifteen.

On January 21, 1967, an article appearing in the "Chicago Daily News", "Red Streak" edition, contained an article titled "51 Council Hopefuls Barred". This article states that in the 28th Ward Crawford was dropped from the ballot on objections which charged his petition bore forged signatures. Crawford had filed a petition to run as Alderman in the above ward.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

RE: DEACONS OF DEFENSE AND JUSTICE, INCORPORATED

GUNS.

MEMBER OF SUBJECT ORGANIZATION

On December 30, 1966, [REDACTED] a college student whose natural curiosity has caused him to read and study the various civil rights organizations, stated that while he was not a member of any civil rights group he has heard through associates that DDJ is practically a non-existent organization in the Chicago area with approximately ten to fifteen members.

[REDACTED] that to his knowledge, the DDJ was completely inactive in the Chicago area and was in extremely poor financial condition.

13 [REDACTED] advised that the DDJ does not
14 maintain an office as such at 712 South Pulaski Road but
15 merely rents the hall on an infrequent basis along with
16 leaders from ACT, a militant civil rights west side organization.
17 It was the opinion of [REDACTED] that Edward "Fats"
18 Crawford has publicly proclaimed himself as the Vice President
19 and leader of the Chicago Chapter of DDJ in order to receive
20 publicity in his bid in the Aldermatic elections scheduled

[REDACTED] advised SA [REDACTED] that JAMES BROWN, aka., Jimmy Brown, former Cleveland Browns football player, was presently in Jamaica, British West Indies, making a motion film entitled, "Dark of the Sun". BROWN returned from Jamaica to Cleveland, Ohio, to attend an affair held in his honor at the Cleveland Arena on the evening of 1/29/67 and returned to Jamaica on 1/30/67.

The "Plain Dealer", a daily newspaper published at CV, O., in the edition of 1/30/67, on page 35, reported that 4,580 people were present at the "JIM BROWN Farewell Night" held at the Cleveland Arena on the evening of 1/29/67.

The "Plain Dealer" in the edition of 2/5/67, on page 8-C carried the contents of the speech made by JIM BROWN at the Cleveland Arena on Sunday night 1/29/67. This speech

was taken from a tape and was edited only slightly according to the article.

Enclosed for the Bureau, New York and New Orleans are two Xerox copies of the clipping containing this speech.

The "Cleveland Press", a daily newspaper published at Cleveland, Ohio, in the edition of 1/31/67, on page C-7, reported that former Cleveland Browns football star JIM BROWN, was scheduled to go on trial 4/3/67 before a Juvenile Court Jury on the charge that he is the father of a child born to an 18 year old girl. The charge was brought by Miss BRENDA AYRES, 3008 E. 73rd St. BROWN entered a plea of innocent when the charge was filed in 11/65. Miss AYRES had previously charged BROWN with assault and battery. He was acquitted on that charge by a Cleveland Municipal Court Jury in 7/65.

The 12/1/66 editions of the "Cleveland Press" and of the "Plain Dealer", daily newspapers published at Cleveland, Ohio, failed to contain any info indicating that JAMES BROWN, aka., Jimmy Brown, was present in Cleveland on that date.

The "Cleveland Press" for that date on page F-2 carried a photograph of JAMES BROWN under which it stated that he was reading a script for "Dark of the Sun", a film he will start working on next year in Jamaica. The date and place where photograph taken was not set forth.

The "Cleveland Press" in its edition of 11/21/66, contained an article that JAMES BROWN was in traffic court at Cleveland, Ohio, on that date in connection with traffic citations.

The "Plain Dealer" in the edition of 9/28/66, on page 35, under the byline of WILLIAM NICHOLS, reported that JIMMY BROWN, the former all-pro fullback of the Cleveland Browns, had returned to Cleveland on the afternoon of 9/27/66 from London, England where he had just completed work on the movie, "The Dirty Dozen".

No further investigation is being conducted by the Cleveland Office.

It is to be noted that as a matter of public record, BROWN and his wife and children are known to reside at 3277 East 147th Street, CV, O.

Part of Jim Brown's Farewell Night Speech

(At the request of many readers we are publishing the speech former Brown's fullback Jim Brown made last Sunday night at the Arent at the affair in his honor. He spoke without a note. The following was taken from a tape and has been edited only slightly. Applause greeted many of his statements.)

Ladies and gentlemen, it's a pleasure to be here tonight. There are so many of you that I should thank that I'm just going to thank you all at once.

I know that this is a farewell to yours truly, and that's very wonderful of you. But I think of it more as something else. I think of it as a point wherein the Negro Industrial Economic Union can be brought forth, and then move on to greater things.

NOW THERE is a struggle going on in this country. There is a struggle. We all know about this struggle. We know what we want, and we know that one day we're going to get it. The confusion has come about because of the methods that have been applied in trying to gain this freedom.

The Constitution of the United States says that all of us should have freedom of speech, religion, and so forth. It does not say that one portion of our society should have more freedom than another. In fact, the theory and the philosophy that built this country is a very, very wonderful one. But as you all know, this theory and philosophy is always carried out. We know the methods that have been employed to bring about freedom—a lot of them have failed. A lot of them have caused trouble in the streets.

The Negro man in this country has not really attained his full manhood. All of us have a great desire to be equal in this society; a lot of us have participated in the various methods to win freedom—a lot of us have been disappointed.

Simple Program

Yes, in the N.I.E.U. have a program. The program is very simple. It's not new. I didn't think of it. It's been applied throughout the history of this country. We all know what self-help is. We all know that every last citizen in this country can better his individual situation if he tries to help himself.

Now, we are saying very simply that here is an organization which is trying with all its might to help each and every one of you. If you are interested in helping yourself.

NOW WE HAVE various organizations around the country. We have the Nationalists. They say that we have to develop a separate economy and that the man, Whitey,

"APPLY YOURSELF."
"IT'S UP TO YOU, THE PEOPLE."
"YOU ARE GOING TO HAVE TO GET OUT AND PARTICIPATE!"
"WE ALL KNOW WHAT SELF-HELP IS."

no one can be trusted; that there is not one white man that is good. This is not true. Forget that. It is completely false.

We have another element that says passive resistance. Now you think about that. And in your own mind, what you think about passive resistance. It is not going to work.

Wall Street

Now there are some of us who say there is another way. There is a way that you can walk tall. You can apply certain principles to better your lot in this country. You can tell the man that yes, you are discriminated against; there are certain ones of you that want to do something and are trying to do something. You can apply yourself. You can endeavor to better your lot. The only thing you have to do is do what so many other minority and ethnic groups have done in the past history of this country. It's not very hard.

We are talking about economic betterment. You know what it brings about? You know what dignity is? You know what pride is? You know what respect is? These are things we are talking about. And you start with respect; because in this organization, we believe that respect is the keynote to everything. You have to be respected, or you're really not going to be loved.

NOW WE HAVE a program here tonight and—I'll be very truthful with you—there were moments when I was very proud, and there were moments that were very sad. And I think all of you felt that way throughout this night. I know the tremendous amount of work that a handful of people had to go through to put on this affair.

This made me proud, because I know just how much they had to go through. It didn't make me feel very proud when I know that we have a showcase here tonight, and I know that all the newspaper men, and all the news media people, would be here, and we could not run straight through like true professionals. But it points up one thing: There is a need for application. There is a need for dedication to work. We can't blame the other man for a lot of our inadequacies. We have to blame ourselves a great deal. Because every time you get a chance to do something, do it first class, and when you get a chance to compete, brother you had better do that. Because when you are talking about freedom, you're talking about competing.

Solid Foundation

We have built what we feel is a very solid foundation with N.I.E.U., putting our emphasis on dedicated personnel. We have an organization that has a philosophy that all of you believe in. There is no doubt—black, white, bigot, liberal—whatever you be. You have to believe in the philosophy in free enterprise, because that is what the country was built upon.

Now, the N.I.E.U. is endeavoring to establish three or four fine programs which will be brought to light within the next month or so. These programs are designed to better the people in the ghetto, basically, the black people because the ghetto is made of basically the black people.

NOW, WE'RE going to need a lot of help; we're going to need a tremendous amount of help. We're going to need the participation of all of you who came out here tonight. We're going to need you to go into that office and find out

Jim Brown

what's going on—not to sit back and say, "What are they doing over there on Euclid?" not to sit back and say, "Well, they have a lot of football players in there and they have some people that we're not too sure of." But get out there, take a walk, go into that office (Euclid Ave. at E. 105) and see what's going on.

I have traveled all over the country, and whenever I have a chance to talk with an individual personally, he never disagrees with the philosophy of economic betterment or self-help. He always agrees. But we know, and every one of you out there know, there is a tendency always to let someone else do the work. Believe me, there has to be a change in this.

Philosophy to Survive

Now, I'm not going to ramble around too much longer. I'm going to make a few, very brief statements about what we're up to with the N.I.E.U. and what is going to happen. First of all, this is an organization founded by young people; not in age, but in mind and in thinking. It is an organization that believes that we should have black leadership—and we have black leadership.

It is an organization that feels that it needs all people and we have solicited the help of all people. It is an organization that we feel should be very tight and within the bounds of the law. We are an organization that is tight and within the bounds of the law. We are an organization that is not interested in guerrilla warfare, nor are we interested in feel-ins, swim-ins, pray-ins, or anything like that. We are an organization that is going to survive, because we have the idea, we have the philosophy that the country was built on.

We have a long way to go. The direction we're headed in now is that we have a youth program. We have a program designed basically in this town for the Glenville and the Hough areas, because as you know we had disorder in the streets and there were riots of disorder two months ago. We feel there is a definite need for recognition and respect in these areas; we want to have our people work in these areas, and we are right now talking to the people at The Cleveland Foundation, hoping that we might be funded for this particular project.

We will be participating in a project in Washington, D. C., which will be one of the largest urban renewal projects in this country; basically led by Negroes. We are now starting a survey which will be based on truth; we're going into the ghettos with a series of questions to find out just what the people think. There have been a lot of surveys that really have not represented the thinking of the people. We have one that, as we might say, will tell it like it is.

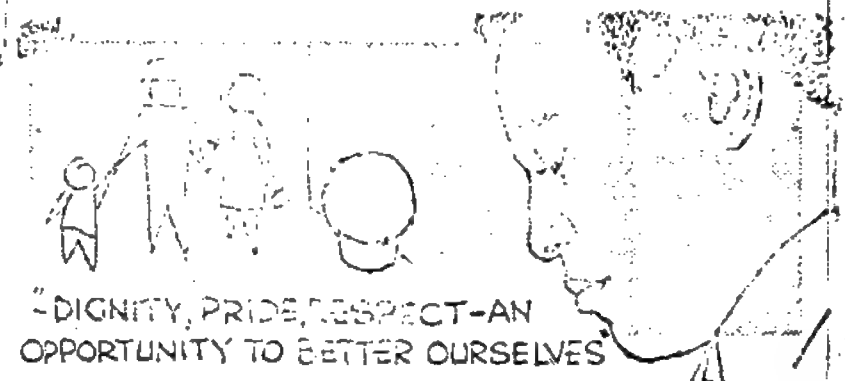

These are just a few of things that we are going into. Now, we are saying to every last one of you: we're not going to talk about black power, because somehow it's just a phrase that rings out—a good rallying cry. There is no real definition of black power. There is no one who gives it the same definition. The press has taken it and twisted it into something that is sensational, but nothing else. It has been a crutch for a lot of people who did not have a program.

Green Power

So what we are saying to you is that you understand what green power is, you understand that. You know what it means to be able to feed your family. You know what it means to have a job so that you can have some dignity and some pride that you are providing for yourself. You know what it is to be educated. You know what it is to have certain luxuries. You know what it is to be able to accomplish something and feel the admiration of other people. You know what these things are.

Within the power of each one of you, you will be able to feel all of these things in a greater way IF you adopt the philosophy that we are trying to put over to you. Now when you talk about green power it sounds very commercial. But it's not, because you are in the Number One country in the world. This is the Number One country in the world. This country has tremendous power, this country has a tremendous history. We can talk about going back to Africa, or we can talk about the freedom in some of the European cities and countries; but, believe me, you have the highest standard of living of any country in the world.

NOW, WHAT I'm saying to you in closing, is that we all have an opportunity to better ourselves. We all have the opportunity, believe it or not, to go on to much, much greater heights. We cannot be lazy, we cannot sit back and let someone else do it for you. We can't say "well, that's Jim Brown's organization, let him do it, we'll see if

he is going to succeed, or if he is going to fail." You can't say, "well, let John Brown put the program on because he has money and he can do it." You are going to have to get out and participate.

Really, I'm very tired of hearing all of our problems blamed on the other man. We know about discrimination, we know about all of the hardships that our people have gone through. We know about the 'castration' of the black male. We know about the strength of the Negro woman because the mother became an image in the house. We know that our black women have been taken advantage of throughout history. We know that we do not get the big part of the stick. But we also know that we don't take advantage of the opportunities that we do have.

Cross Section

You have here tonight many members of the organization—a tremendous cross-section of your community. These people will be working from day to day. Ninety-nine per cent of them have donated their time; not to better themselves because the only way they could donate

their time is that they are making enough money to go their own ways. Keep that in mind.

Keep it in mind that the Negro Industrial & Economic your courage. It sort of lets you take a look at yourself Wooten's organization. It does not belong to Arnold Pinkney; it belongs to the people, because the philosophy belongs to the people, and it is up to you, the people, to take full advantage of this organization because all we're offering you is every bit of talent and energy that we have, and if you can't take advantage of that then don't let me hear you cry about what the white man is doing to you.

Test of Courage

It would have been very nice if we had had a full house tonight. I would have been a very nice thing. But somehow, when things like this happen, they sort of test

your courage. It sort of lets you take a look at yourself and see where you're really at. It lets you look at yourself and say, "well, am I going to fold up? Am I going to get discouraged?" "Or what am I going to do?"

WELL MOST of you know my history. You know that I've probably been involved in almost everything there is to be involved in. You probably know that I've been fighting ever since I was a little boy. And when I leave here tonight, I'm not going to think that we didn't have 12,000 people—I'm going to think that we had all you people. I'm going to think that when I leave here that all of you are going to dedicate yourselves to self-help and betterment. And I'm going to go down to Jamaica to finish a movie and make a little more money, and I'm going to come back here and dedicate myself all over again. And we're going to win. Thank you very much.
